2. Special arrangements for Non-Members to hunt may be made in advance with the Master.
3. All riders must be mounted 10 minutes before the Hunt is due to start. The Field Master will give notices and instructions at this time. Hunts will start at the fixtured time.

HUNTING ETIQUETTE

1. Be *courteous, polite and considerate* of all landowners. Remember, without their goodwill and generosity, we cannot *hunt!*
2. Detour *well* around all pastured livestock. If you cannot detour, *slow right down to a walk.*
3. Close all gates *unless specifically told not to* by the Field Master. This is the duty of last man through.
4. Report any damage to land, crops, fences, etc. immediately to the Master. **Very, very important!!**
5. Do not ride across fields that are under cultivation or newly ploughed – keep to the edges.
6. *Stay with the field.* If for some reason you must leave, get word to the Master.
7. Stay clear of hounds. If the hounds pass you on the road or trail, get as far to the side as you can and **turn your horse's head towards them.**
8. Never crowd the Huntsman.
9. Give Whippers-In the right-of-way at all times.
10. Do not pass the Field Master during the hunt.
11. **Do not talk** unnecessarily during a hunt.
12. Do not litter the country with cigarette butts, gum or candy wrappers, etc.
13. Dress properly. (Regulations regarding official hunting attire may be obtained from the Honorary Secretary or on the website.)
14. Have your horse under control *at all times!*
15. Be on time for all meets.
16. If you knock a fence down or **see** someone else knock one down, it is your responsibility to report the damage to the Master.
17. Do not ride over Hunt country on non-hunting days unless you have permission from the individual owners.
